02/07/2018 – Avakas Gorge - - Art Workshop - Afternoon swimming at Latsi**

03/07/2018 – Seashore* – Kayaking – Afternoon activities**

04/07/2018 - Departure

* The art workshop includes dialogue and art, for kids and adults. (2 workshops – 2hour session each workshop)

Instructor: Rafaela Miltiadous - MA Artist teachers and Con-temporary Practices, Goldsmiths University of London.

**Fascinating walk into a steep gorge discovering its geological history. Look at how rock types are related to the shape and characteristics of the landscape; exploration of a valley system, which cuts through several distinctive geologies, with spectacular features.

***Children learn about the natural and human coastal environment. They discover this dynamic landscape through seashore invertebrates collection, observation and discussion; investigating rock pools whilst earning about ecological principles.

After Dinner there will be activities for kids and adults. If enough interested there will be a 2 hour session of Bat watching.

The Camp includes Breakfast – Light Lunch – Dinner.
